Handler's Meeting 6:45 AM
First dog off at 7 AM

Parking/Camping: Turn left off the driveway at the approach between the grainery and the shop. Follow the trail (with flags) up the hill. Once you go up the hill and through the pasture gate, parking/camping will be on the top of the hill on the right hand side in the mowed area only. If you have not been here before, the trial field is further up the trail (and down hill) from the parking/camping area.

You will find driving directions on the website. In years past I know GPS systems have tried to take folks about 3 miles east of us, so maybe compare those directions with the driving directions I have provided. Defer to my directions please. We won't be sending out search parties. =)

We will have a handler's POTLUCK dinner Thursday evening, with Lee and I providing barbequed beef sandwiches. Please bring your favorite dish and drinks. I am considering a plan to have dinner under the tent up at the trial field rather than having everyone come down the hill and squeeze into our cozy (little) house. We may run out of daylight, so anyone with a lantern is welcome to bring that too. Thanks!

Anyone needing any info can email me at jamiespringbc@yahoo.com. That will be the best way to communicate with me as I will be at Meeker the week before our trial and then busy getting things finished up for your arrival. Next week you can also try my cell at 605 490-1681 while I am at Meeker, however, at home THERE IS NO CELL SERVICE, SO PLEASE DON'T CALL THAT NUMBER AFTER September 8th. You can also leave a message at the house at 605 985-5961.

We look forward to seeing good friends and meeting new. Here's to another trial full of challenging sheep, fun people and great dogs! Please travel safe and we will see you soon!
